

Congratulations!

The product you have purchased includes Blum lift systems, concealed hinges and/or drawer runners, the finest in functional hardware. In keeping with our commitment to quality, integrity, and expert workmanship, this hardware meets or exceeds the highest industry standard requirements.

Limited warranty

Blum Canada Ltd. warrants its lift systems, hinges and/or drawer runners, contained in this product, but not the product itself, against defects in material and workmanship for as long as the original consumer purchaser owns the products. Blum Canada will send the original consumer purchaser, without charge, new Blum hardware to replace any defective Blum hardware subject to this warranty. This warranty is a warranty of replacement only.

Blum Canada Ltd. specifically does not warrant removal of the defective hardware nor installation of the new hardware. This warranty does not cover hardware which has been incorrectly installed, exposed to excessive loads or otherwise used in any manner contrary to its intended purpose. In the event the defective Blum hardware is obsolete or has been discontinued, Blum Canada Ltd. reserves the right to replace the defective hardware with a current offering. No guarantee of interchangeability is offered.

Under this warranty policy, machine and assembly device defects are covered for a period of 1 year from date of delivery, subject to consideration of reasonable use and care. Within this period all damaged or defective machines and/or components are subject to inspection by a Blum representative before a part, repair service or full replacement is approved. A defective machine may be required to be shipped pre-paid to Blum Canada Ltd.

Under this warranty policy, SERVO-DRIVE drive units and transformers are covered for a period of 5 years plus a grace period of 12 months for delivery. The attached SERVO-DRIVE Warranty Replacement Parts Form must be completed before a warranty replacement is approved. At Blum's discretion some SERVO-DRIVE articles must be returned to Blum Canada Ltd. to receive a replacement.

Replacement procedure:
